MORTUUSAGON

140HP

WEAPON

UNIT

WEAPON

The once full of life Encendragon is now purely robotic. It try's to mimic its past self but everything about this creation is pure mechanical.

Power Steel skinned

Mortuusagon takes 50 less damage from attacks

Furious flashbacks

50

Flip a coin, if heads choose an attack from the previous evolution and use it this turn.

ETHEO

UNIT

110HP

WEAKNESSES

X2

X2

RESISTANCES

Etheo is almost entirely made of smoke, making it hard to see, let alone hit.

Skill Smokescreen

When this unit is attacked, flip a coin, if heads the attack lands, if tails the attack misses.

Smoked Flame

40

Ghostly Mirage

If the opponent's attack missed on the last turn, do the missed damage back to the opponent, ignoring any effects.
